## 2023-2024 Supply List

Precious Parents,

Welcome to Preschool! We are so excited to meet all of our students + looking forward to building a long-lasting relationship with our families.

Please understand we are requesting particular school supplies for a number of reasons. These are supplies we have used throughout our teaching career; they are products that will last the entire school year + into the following school year and are true to color (in regards to color: writing/coloring tools). **PLEASE, NO CRAZART, ROSEART, UP&UP, PEN&PAL!**

**DO NOT WRITE YOUR CHILD'S NAME ON SCHOOL ITEMS.** All your child's belongings will be checked in individually by the teacher. **The only item you need to write your child's name on is their change of clothes + linens.** Please, place their clothing/linens in a 2-gallon sized Zip-loc bag + write your child's name on the bag with a permanent marker.

Please know that we check in each student's supplies one at a time. We will label your child's items with printed name labels once we check them in.

### How to Bring in Your School Supplies

When bringing in your child's school supplies please use a box or container to bring them in. Make sure your child's name is on the box or container. **Please, do not bring supplies into the classroom in shopping bags.**

If you have any questions or concerns about the items on the supply list please, feel free to reach out to us at [info@ntaeagles.org](mailto:info@ntaeagles.org).

In His name,

*Little Eagles Early Education*
