

### **Iowa Standardized Testing**

The IOWA Assessments are achievement tests assessing students' reading, Language, Mathematics, Social Studies, and science skills. The tests evaluate both foundational skills and higher-order thinking skills. The IOWA Assessments provide national and local comparisons. All grades will take the IOWA assessment next week, April 24th-28th. Please ensure your child is in attendance and well-rested on these testing days. Middle and High School students may need to bring a calculator for the Math portion of the test. These calculators may be cleared by their proctor before they begin the section.
