

Summer Reading for Rising First Graders

In order to enhance students' love of reading and to preserve gains made in reading skills, students entering first grade should read a wide variety of books throughout the summer. The list below is designed to guide our students in choosing books appropriate to their level. Students will be expected to **read a minimum of 3** of the books listed and will need to **complete the attached book report forms**. These reports will need to be turned into their first grade teacher during the first week of school. Our objective is to instill a love of reading in a relaxed, fun manner.

First Grade Suggested Summer Reading List

Note: The following books are only suggestions. Please feel free to add any books that are appropriate for your reader. The staff in the children's area of the public library will also have many wonderful suggestions for you.

Research has shown that the single greatest factor in predicting reading success is whether a child is read to when young. Here are some titles to get you started! Please note that the reading level of the books suggested varies. If your child is already reading, have him or her read a page of the book aloud to you to see if it is a good fit. If they struggle with more than a few words on the page, it is probably too difficult, but the book would still be a great book to read aloud to your child.

Fun Books to Share
