

Summer Reading for Rising Second Graders

In order to enhance students' love of reading and to preserve gains made in reading skills, students entering second grade should read a wide variety of books throughout the summer. The list below is designed to guide our students in choosing books appropriate to their level. Students will be expected to **read a minimum of 5** of the books listed and will need to **choose 3 books and complete the attached book report form**. These reports will need to be turned into their second grade teacher during the first week of school. Our objective is to instill a love of reading in a relaxed, fun manner. Graded Reading level has been provided.
