Sixth Grade English
Summer Book Report: "Sandwich" Project

For this project you will summarize and illustrate a summer reading list book you have read by creating a "sandwich" with information about the book.

Draw and cut out the following sandwich ingredients on sheets of colored paper as indicated below:

- Bread – white
- Lettuce leaf – green
- Tomato slice – red
- Cheese – yellow
- Sandwich meat – pink or brown
- Bread – white

On the first slice of bread – Write the title and author of the book you have read.

On the lettuce – Describe the setting (time and place) in at least two sentences.

On the tomato slice – Describe each of the main characters.

On the slice of cheese – Summarize the book's important events (5 sentences minimum).

On the sandwich meat slice – Reveal the book's climax (a moment of great intensity in the plot that generally brings events to a head and leads to the conclusion).

On the second slice of bread – Draw a favorite scene from the book and write a brief description.

When all ingredients are assembled, collate the layers of the sandwich (i.e. staple, hole punch and combine with a key ring or yarn, etc.).

Point Values:

Title and author	10 points
Setting	10 points
Main character descriptions	10 points
Plot summary	30 points
Climax	10 points
Favorite scene illustration/description	10 points
Neatness/creativity/effort	10 points
Spelling and grammar	10 points
